

# Porttair™ Honeycomb Shades

## Product Care Instructions

Honeycomb Shades come in a variety of fabrics, cell sizes and lift systems and are a great solution for any number of applications. Our honeycombs deliver on a number of desired effects of fine window treatments:

- Excellent insulating properties
- UV protection
- Softened views while enjoying privacy

### CLEANING HONEYCOMB SHADES

Routine cleaning will help maintain the beauty of your shade. Here are proper ways to clean Honeycomb shades:

- For light dusting: use a soft brush, feather duster, or a compressed air/hair dryer at a cool setting
- Vacuum with a low suction using a hand-held vacuum or a brush attachment
- Clean ultrasonically
- Use a mild cleaning
  - Use a mild cleaning solution
  - Headrail should never be immersed in liquid
- For spot cleaning: dampen a clean cloth or sponge with warm water to dab the spot until it's gone. Add a mild detergent solution, if needed. Blot gently to avoid creasing the shade (do not rub!)
- Allow shade to dry in a fully lowered position
