

NORMAN®

SHUTTERS. BLINDS. SHADES.

March 8, 2022

Norman® is an active participant in the WCMA "Best for Kids" certification program. All Norman® blinds, shutters and shades with the "Best for Kids" designation have been rigorously tested and free from hazards due to pull cords.

In choosing one of Norman's WCMA-certified "Best for Kids" products, you can be assured that they are kid-friendly, free from hazards due to pull cords, and compliant with current safety standards (Appendix C of ANSI/WCMA A100.1-2018 and Appendix D of ANSI/WCMA A100.1.)

For the utmost in safety and extra peace of mind, all of the following Shutters, Blinds and Shades are "Best for Kids" certified:
